

# NJAANE .

From dancing literally before she could walk, N'Jaane has always had music in her heart. It was inevitable that she would gravitate to a profession based around rhythm.

N'Jaane has since gone on to become a nationally touring DJ x Vocalist, curating an impeccable Deep House, Balearic, Nu Disco inspired sound. Headlining Superyachts, Sound system gigs, Pool Bars, Beach clubs, Rooftops, Races, National sporting championships, Brand launches, and can be found on screen on both Fox Sports and Stan (streaming now).

N'Jaane has had the absolute pleasure of working alongside the likes of Jessie J, Delta Goodrem, The Madden brothers, Ronan Keating, Charlotte Best, Luke Pegler, Adam Saunders and more.

Her first tropical house track 'Beachside Fairytales' debuted earlier in 2021 - with more soulful Deep House Vocals and collaborations coming soon.
